

# CUSTOMS CLEARANCE

FAST, EFFICIENT CUSTOMS SERVICE IN-HOUSE AT MSC

All cargo that is being imported must satisfy Customs formalities and regulations and be formally declared to HM Revenue and Customs (HMRC) for it to be accepted in / out of the UK.

## SERVICE FEATURES

At MSC UK we're committed to delivering first-class customer service, which means making each stage of the shipping process as simple and transparent as possible:

- MSC can submit import Customs entries on your behalf, using dedicated Customs software
- We can offer Customs services across our UK port network including: Felixstowe, Liverpool, Southampton, London Gateway, Bristol, Greenock, Grangemouth, Teesport, Hull and Tilbury
- We can accept shipment by shipment, or yearly instructions

## WHAT WE REQUIRE FROM YOU

We will require instructions to proceed on your behalf that provides all necessary information such as, commodity codes, EORI, CPC, by completing a Direct Representation letter on your company headed paper:

- Your EORI number – to which must be registered via HMRC (your accountant should be aware of this) the following link will assist with application <https://www.gov.uk/eori>
- If you are unsure regarding the classification of your goods, further guidance is available from HM Revenue & Customs on 0300 200 3700, [classification.enquiries@hmrc.gsi.gov.uk](mailto:classification.enquiries@hmrc.gsi.gov.uk) or visit [www.businesslink.gov.uk/tariff](http://www.businesslink.gov.uk/tariff)

Since 2009, MSC has been approved by HM Revenue & Customs as an “Authorised Economic Operator” (AEO) with full certification for Customs as well as the security and safety of cargo.

## HOW THIS BENEFITS YOU

- Letting MSC take care of your Customs Clearance saves you time and money
- As an Authorised Economic Operator (AEO), MSC ensures your cargo is processed through Customs procedures efficiently and has stringent audit procedures in place
- Our UK-based teams have extensive knowledge and expertise with over 40 years' experience of Customs Clearance procedures to guide you every step of the way
